National Days/Weeks/Months Observances during a Market Season

The following pages are lists of nationally declared days, weeks, or months celebrated during the months of a typical market season (May–October). Any of these could be an event/celebration at your market. Make your market THE place in your community for informative activities and events during the market season.

Information taken from *Chase’s Calendar of Events*, an annual publication (you can check your local library reference desk), also see: <http://www.butlerwebs.com/holidays>

Examples: You’ve selected National Healthy Vision Month (May) as an event. Contact your local Lions Club and ask them to come to the market and provide a collection box for used eyeglasses—and allow them to promote their organization. Be sure to put out press releases—also do signage at your market prior to the event to remind people to bring their unused eyeglasses. OR
May 25 is National Tap Dance Day—get a local dance studio to come and perform!
